Parents: We are hosting a very special Veteran's Day Blast Off! on Friday, Nov. 11th at 8:00 a.m. in JRCES Gym. We are inviting parents, grandparents, and family members that have served or are serving in the military to join us in honoring our Military Veterans. Please let Mrs. Fulmer know if you or a family member will be participating so we can have enough reserved seating for you.

Pumpkinville
was a hit!!!

This is what we were up to this week:

- Weebly is updated with TONS of pictures for the last 3 weeks.
- On our walk to the library we got another special candy treat from Marsha at Canterbury Voices.
- We worked on number trees: finding different ways to make a number.
- We learned about a magic square- how adding across a domino gets you the same total as adding numbers vertically.
- We started new literacy and math stations, including: Osmo Numbers, iPad listening center, Pebble Go research (they choose which topic on the website from several science/social studies choices), sounding out words, pumpkin life cycle, reading a sight word book to 9 friends+ teacher, and graphing!
- We also read Peanut Butter & Brains: A Zombie Culinary Tale by Joe McGee and illustrated by Charles Santoso which was well-liked by everyone!
