THUNDER CHALLENGE

The new December log was sent home
Monday. These will be due back Jan 4 when we
return from break. I have to have them
turned in very quickly after that.

This is what we studied:

- Word of the week: *dedication*
- Working on making contractions and talking about/finding vowel teams when reading
- Fact families of 7, 8, 9, 10
- We started our author study of Jan Brett © and compared/contrasted two stories: The Hat and The Mitten along with sequencing the stories and making story maps to work on comprehension.
- We have been working on doubles in math and doubles plus 1 or minus 1.
- This led to us talking about even and odd numbers.

Scholastic due
Monday Dec 12. Any
last minute stocking
stuffer/gift ideas or
just for fun!! My
code is NNGNK if
you want to order
some great books!!
😊 They'll arrive by
Dec 19.
