

Miss Basinger's First Grade Newsletter February 16, 2017

This is what we studied:

- The students have been continued their studies with Project Lead the Way! They created murals with partners to show what their environments looked like. Those environments are the Amazon rainforest, Sahara Desert, Arctic, or African savanna.
- Travelling to these environments helps us learn about finding places on a map and globe.
- We are learning about parallelograms and continuing to decide whether two shapes are congruent or not.
- We are continuing to work on place value.
- We are working on composing shapes using 2-D shapes.
- We are continuing our studies on making words plural by adding -s or adding -es (if a word ends in s, x, ch, or sh)
- We had a fabulous Valentine's party!! ☺ So thankful for all the help!!

UPCOMING EVENTS:

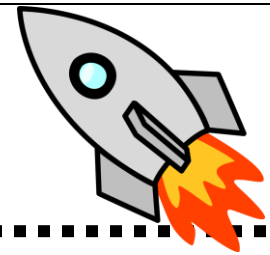

- Feb 16- FUEL UP!! (\$25 admission, \$75 VIP)
- Feb 20- First grade leads BLAST off (Patriotism) @ 8:10!! (Come get a seat ☺)
- ALSO- Presidents' DAY!
