SNACK & agenda

PLEASE SEND A HEALTHY INDIVIDUAL SNACK each day. WE ARE HAVING A LOT OF STUDENTS FORGETTING TO BRING THESE LATELY. IF YOU SEND A PUDDING/APPLE SAUCE, PLEASE SEND A SPOON/UTENSIL.

PLEASE WRITE BOOK TITLES IN AGENDAS NIGHTLY- 20 MIN OF READING (CHILD TO YOU OR VICE VERSA/BOTH)

We got funded for my first Donors Choose!!! In less than a day!! How awesome!! Thank you so much! Osmo's will be coming to our classroom soon!!

Helpful Tips:

Have your child sort things into groups of 5 or 10. Tell him to close his eyes, while you hide some of the objects. Have him figure out how many are missing. Encourage him to write an equation for the items-support if needed. (*For example: Start with 10 pennies, hide 4. Before telling him the answer, have him start with this equation: $6 + \underline{\quad} = 10$. Then have him write the missing number. Check to make sure no numbers are reversed ☺)
