

September 2016

Ms. Owen's Classroom News

NOTES

Our monthly book reading is Julia Cook's Teamwork Isn't My Thing, and I Don't Like to Share. This book teaches the importance of knowing how to work well with others in a group, and the importance of teamwork.

P.E. Quote of the Month:

"When we all work together, we get so much done. And not only that, we have a whole lot more fun!" -Julia Cook

WHAT WE ARE LEARNING

This month in P.E. we are finishing up our throwing unit, and then will be moving into our soccer unit. The Oklahoma Blood Institute will be visiting our students on September 9th, and we encourage all parents to participate in our blood drive that day. The Oklahoma City Energy will be here on September 22nd to work soccer skills with our students.
